1.00 ARTICLES (72 on this project): Newspapers, Journals & Magazines:

Year 1990:

- 1.01) "**Grand Experiments, Building the New Ark**", 'The Sustainable House', Eric Bailey, Environment Views, December 1990

Year 1991:

- 1.02) "**Back to basics**", Sandra McKenzie, Canadian House & Home, February/March 1991, p. 40
- 1.03) "**Age of sustainable housing coming this fall**", Scott MacArthur, Calgary Mirror, June 1, 1991, page 5; 1 photo, third page
- 1.04) "**Super energy-efficient home studied**", Grande Prairie Daily Herald-Tribune, August 30, 1991
- 1.05) "**Environmentally-friendly home idea OK'd**", Paul Cowley, Grande Prairie Daily Herald-Tribune, Oct. 1, 1991, p. H-4
- 1.06) "Calgary Architects win round", Mark Lowey, Calgary Herald, November 29, 1991, p.B4 small article
- 1.07) "**Home of the future gentle to Earth**", Mark Lowey, The Calgary Herald ("Home Section"), Dec. 8, 1991, p. B8; 1 photo, third page
- 1.08) "**The Sustainable House**", Wendy Priesnitz, Natural Life #24, Dec. 15, 1991, pages 14 & 15
- 1.09) "**Innovation Brings 'Greenhouse' To Life**", Kathy McKormick, The Calgary Sun ("Weekend Homes Section"), Dec. 28-29, 1991, page WH3; photo & floor plans, full page

Year 1992:

- 1.10) "**Green Design wins award for Calgarians**", Frank King, Calgary Herald, March 28, 1992
- 1.11) "**This City - The Green House**", Sandra Shields, City Scope, March/April 1992, page 11; 3/4 page,
- 1.12) "**Here's a house designed to pay its own bills - high technology, common sense combine for efficiency**", Mel Duvall, The Calgary Herald ("Home Section"), June 6, 1992, page D6; 1/3 page
- 1.13) "**Here's a house designed to pay for its own bills**", Mel Duvall, Calgary Herald, June 6, 1992

Year 1993:

- 1.14) "**Alberta Sustainable House**", The Urban Ecologist, Berkeley, CA. US, Fall 1993, page 19
- 1.15) "**Sustainable House - another advance**", Kip Park, Winnipeg Real Estate News, Oct. 29, 1993
- 1.16) "**Deadfall 'n' All... - Environmental home will be safe 'n' efficient'**", Marty Hope, The Calgary Herald ("Home Section"), Nov 27, 1993, page F1; 3 photos, full page
- 1.17) "**The Alberta Sustainable House**", Angus Norman, Technology Alberta, Journal of the Alberta Society of Engineering Technologists, Vol. 10., # 4, Winter 1993, pages 8 & 9; with 6 photos, 2 pages
- 1.18) "**The Alberta Sustainable House**", Canadian Energy Education Newsletter, Winter 1993, p. 11 & 12

Year 1994:

- 1.19) "**The Alberta Sustainable House**", Andy Teasell, Trusworld, A Newsletter for the Building Component Industry from Truswal Systems Corporation, Spring 1994, page 11; 3 photos, 1 page
- 1.20) "**Sustainable House Opens in Alberta**", Home Builder Magazine, March/April 1994, page 48
- 1.21) "**The Alberta Sustainable House**", (American Society of) "Certified Engineering Technician", Vol. 31, March/April 1994, page 10
- 1.22) "**Down to Earth - Environmentally-friendly home opens**", Marty Hope, The Calgary Herald (Home Section), page F3, April 23, 1994, 3 photos, half page

- 1.23) "**Alberta Sustainable Energy Home is Far From Typical**", Tremco Window Business Review, June 1994, 1 1/2 pages
- 1.24) "**Eco-home building for future**", Kathy McKormick, The Calgary Sun ("Calgary Homes Section"), June 4-5, 1994; page 13; perspective & environmental impact statement, half page
- 1.25) "**New house constructed with environment in mind**", Craig Asuchak, The Calgary Herald Neighbours, June 15-21, 1994; page 2; third page
- 1.26) "**Building for the Future - the autonomous sustainable home**", Janet Pivnick, Synchronicity, June/July/Aug. 1994, page 15 & 16; with 3 photos, 2 full pages
- 1.27) "**Environmental Features of the Alberta Sustainable House**", Jorg Ostrowski, Sol Magazine, Vol. 96, July/Aug./Sept. 1994, pages 29-32, cover feature
- 1.28) "**Self-Sufficient House**", Real Estate Weekly, Vol. 14, #49, Oct. 7, 1994, various Vancouver area Editions (including Richmond), photograph & 4-line caption, cover page
- 1.29) "**Alberta House Generates Surplus Energy**", Home Builder Magazine, Nov.-Dec. 1994, p. 36
- 1.30) "**Alberta's First Sustainable House**", Videas Journal, December 1994, page 6, 2/3 page

Year 1995:

- 1.31) "Willmar, Tremco Develop **Super Window Prototype**", Informail/Alumipost #133, January 1995
- 1.32) "**How To Unhook a House**", Cathie Bartlett, Environment Views, Spring 1995, Vol. 17, #3, page 25
- 1.33) "**Off-The-Grid**", House Building Information & Home Plans, 27th Edition, March 1995, page
- 1.34) "**Alberta Sustainable Home**", SolPlan Review, March 1995, page 7 & 8, 1 1/3 pages
- 1.35) "**Sustaining Housing in the North**", Sustaining Our Communities, April 1995, page 6, 3/4 page
- 1.36) "**New house constructed with environment in mind**", Craig Asuchak, Calgary Herald, "We're combining the best of yesterday with the reality of today to prepare for the future", May, 1995
- 1.37) "**Housing concept looks to future**", Marty Hope, Calgary Herald June 3, 1995, page H5, 1/3 page
- 1.38) "**Japanese eye ASH concept**", Marty Hope, Calgary Herald, June 10, 1995, page F3, 1/5 page
- 1.39) "Local firm invited to act as overseas consultant", Marty Hope, Calgary Herald, June 10, 1995, page F3
- 1.40) "**Calgary's Autonomous & Sustainable House**", Garry Checora, 4-page cover feature article, Eco-Design, July 1995, pages 1-3 & 11
- 1.41) "**The Alberta Sustainable House**", Jorg Ostrowski, Alive - Canadian Journal of Health & Nutrition, No. 25, July/August 1995, with 2 pictures, pages 43 & 44
- 1.42) "**A Home for All Seasons**", A. Walker, The Scenic Review, Enviro News, October, 1995, p. 8-11
- 1.43) "Architect Specifies Swiggle Seal for Energy Efficient Building Project", Window Views, Vol. 1, #2, Winter 1995, full page
- 1.44) "**Alberta Sustainable Home will soon disconnect city services**", Technology Alberta, ASET, Edmonton Alberta, pages 26 & 27, Winter 1995: follow-up article to #8 above

Year 1996:

- 1.45) "**Sustainable Housing**", Brad Ovenell-Carter, Canadian Living, January 1996, pages 29-32
- 1.46) "**From Sustainable to Autonomous**", Robert Steuteville, In Business, Vol. 18, No. 1, January/February 1996, Emmaus PA US, page 19, 1/2 page
- 1.47) "**Une maison écologique**", Quebec, March 1996?, pages 4 & 5
- 1.48) "**Off-Grid in a Cold City: The Alberta Sustainable Home**", Ted Rieger and Jeanne Byrne, Home Energy Magazine, Vol. 13, #2, March/April 1996, Berkely CA US; pages 37-40, 3.5 pages
- 1.49) "**Sod House Returns**", Vicki Barnett, Calgary Herald, April 17, 1996, Page B1
- 1.50) "**Home Sweet Home**", Colin Morris, Calgary Fast Forward, cover story, April 18, 1996, page 8
- 1.51) "**Sustainable Housing**", page 4 & 5, Mature Outlook Newsletter, Sears Canada, Vol. 4,#1, May 1996
- 1.52) "**Sustained Effort, Sustainable house part of earth friendly lifestyle**", Eva Ferguson, Calgary Herald, June 5, 1996, page B5
- 1.53) "**The Alberta Sustainable House: Living Lightly**", Calgary Explorer Magazine, Deborah Cavel-Greant, electronic article, 4 pages, June 1996
- 1.54) "**Calgary House Goes Beyond Sustainability**", Alternatives Journal, Garry Checora, October/November 1996, Vol. 22, #4, pages 5 & 6
- 1.55) "**Saving Energy & Cash**", Yukon News, March (?), 1996

Year 1997:

- 1.56) "**A real green house**", Karen Taylor, The Calgary Mirror/Sun, July 16, 1997, page 11
- 1.57) "**Calgarians sweat it out at home**", Sharon Adams, Calgary Herald, Aug. 7, 1997, front page
- 1.58) "**Harmony between residence and residents: Calgary's Autonomous Sustainable Home**", Orrian Low, Synergy, pages 6-8, Fall 1997

Year 1998:

- 1.59) "**Forecast for energy-efficient homes is Clear & Sunny**", Sharon Adams, Calgary Herald, February 21, 1998, pages G1 & G8 (ASH project mentioned amongst past projects)
- 1.60) "**Projects: Self-sufficiency and Style in the Frigid North**", Nadav Malin, Editor, Environmental Building News, Pages 6 & 7, Vol. 7, #8, September 1998
- 1.61) "**Ecotecture - The Language for Ecological Homes**", Jorg Ostrowski, **Environmental Design & Construction**, Chicago, IL, September/October 1998, pages 20-30, 11 pages with numerous photos
- 1.62) "**Partners' Home Office Built on a Dream**", Donna Korchinski, Globe & Mail, Dec. 7, 1998, B9

Year 1999:

- 1.63) "**Think Small**", Harry Vandervlist, Calgary Herald, Jan. 24, 1999, Page D1 (full page) & D2 (part page)
- 1.64) "**Abode bodes well for Future**", Sherry Butt, Supplement to: Calgary Sun, Edmonton Sun, Globe & Mail entitled: Sustainable Energy & Environment, July 29, 1999, page 14
- 1.65) "**High Efficiency Windows Tested in Alberta Sustainable Home**", Jorg Ostrowski, Words on Windows, photo, Alliance to Save Energy, Washington D.C. U.S., Winter 1999, 1 1/2 pages

Year 2000:

- 1.66) "**Two Calgary projects in hunt for awards**", Marty Hope, Calgary Herald, p. HS15, Sept. 9, 2000
- 1.67) "**Calgarians meet housing challenges**", Finalists selected for CMHC awards", Shelley Myshrral, Calgary Sun, Calgary & Area Homes, with photo, Sept. 23-24, 2000

Year 2001:

- 1.68) "**The House that Jorg and Helen built**", Marty Hope, Calgary Herald, February 3, 2001, p. HS1
- 1.69) "**World beating a path to sustainable home**", Mark Lowey, Business Edge, April 18-24, 2001, p. 8
- 1.70) "[chinese]", Taiwan Architect, Vol. 8, 2001, p. 116-117, 3 photographs & summary writeup of ASH/O

Year 2003:

- 1.71) "**The Alberta Sustainable House**", Tonia Starratt, The Scenic Review, April 2003, cover & p. 16-17

Year 2004:

- 1.72) "**A Conservative Business**", Paul Stastny, **Alberta Venture**, January, February 2004, p. 98-101, 2 photographs of the Alberta Sustainable Home/Office, with quotes from Jorg Ostrowski

2.00) AWARDS/CITATIONS (4 for this project):

- 2.01) "**Emerald Award** for Environmental Excellence", category: "Small Business", The Alberta Foundation, for Environmental Excellence, June 17, 1995, Alberta
- 2.02) "**Autonomous House Award**", national competition for the most energy-efficient & environmentally sound home in Canada, Solar Energy Society of Canada Inc., November 1995
- 2.03) "**Quality Building Conference Design Award 1999**": "showcase of the best the building industry has to offer in healthy, resource-efficient construction and sustainable development", Northeast Sustainable Energy Association (NESEA), Massachusetts U.S., category: Residential, single family, July 1999
- 2.04) "**2000 CMHC Housing Awards**" Tomorrow's Housing Today, - meeting the housing challenges of the New Millennium, Concept & Design Category,

3.00) CONFERENCE PRESENTATIONS & PROCEEDINGS (18):

- 3.01) "**Design of a Generic Sustainable House for Tract Builders**", 17th Annual National Conference of the Solar Energy Society of Canada, Toronto, June 21-26, 1991
- 3.02) "**The Alberta Sustainable House**", Globe '92 Conference and Trade Show, Vancouver Trade & Convention Centre, March 16-20, 1992. Discussed this project & model with Amory Lovins.
- 3.03) "**The Alberta Sustainable House**", 1993 EEBA/NESEA "Building Solutions" Conference (Energy Efficient Building Association, NorthEast Sustainable Energy Association), Boston MA, March 3-6, 1993
- 3.04) "**Design of a Generic Sustainable House for Tract Builders**", Proceedings of the Third International Symposium on Cold Region Development, ISCORD 91 Conference, Edmonton Alberta, June 16-21, 1991, page 138
- 3.05) "**Design of a Generic Sustainable House for Tract Builders**", Proceedings of the 17th Annual National Conference of the Solar Energy Society of Canada, Toronto Ontario, June 21-26, 1991
- 3.06) "**The Alberta Sustainable House**", 19th Annual National Conference of the Solar Energy Society of Canada, Quebec City, 1993
- 3.07) "**Environmental Features & Pattern Language of the Alberta Sustainable House**", 20th Annual National Conference of the Solar Energy Society of Canada, Ottawa, Oct. 29 - Nov. 2, 1994

- 3.08) Senior High Science Curriculum Conference, January 30, 1995
- 3.09) Calgary Junior High Science Regional Conference, March 16, 1995
- 3.10) The following 2 presentations were given at the 21th Annual National Conference of the Solar Energy Society of Canada, "Environment & Energy Conference of Ontario", Oct. 31 - Nov. 2, 1995
 - 1) "Observations & First Impressions of the **Environmental Features:** the Alberta Sustainable House"
 - 2) "Observations & First Impressions of **Windows, SunPipes & Shades:** " " " "
- 3.11) "**Update on the Alberta Sustainable Home/Office**", Global Living, Winter Cities '96", February 9-14, 1996 Winnipeg, Manitoba
- 3.12) "**An Overview of the Indoor Environmental Features of the Alberta Sustainable Home/Office**", Indoor Environment Marketplace Workshop, Calgary Alberta, March 25, 1996
- 3.13) "**The Alberta Sustainable Home/Office**", Orian Low, "Sustainability II, Striking a Balance" Conference Edmonton Alberta June 7-9, 1996
- 3.14) The following were presented at the 22nd Annual Conference of the Solar Energy Society of Canada, June 9-12, 1996, Orillia Ontario
 - 1) "**Leading a Conserver Lifestyle at Home and at Work**", Helen Ostrowski
 - 2) "**Residential Energy Consumption** Study: The Alberta Sustainable Home/Office vs. a Conventional Canadian Home", Jorg Ostrowski, Anne Ndegwa
 - 3) "**The Indoor Environmental Features** of the Alberta Sustainable Home/Office", Jorg Ostrowski
- 3.15) "**Thermal Mass, Masonry Heater and Winter Temperatures**", the Winter of 1996-1997 at the Alberta Sustainable Home/Office, Progress Report & Update, presented at the 23rd Annual National Conference of the Solar Energy Society of Canada, June 5-7, 1997, Vancouver BC
- 3.16) "An Overview of the **Indoor Environment Features of the Alberta Sustainable Home/Office**", "Indoor Environment /Air Quality" Seminar, Calgary Regional Health Authority, Calgary Alberta, Oct.3/97
- 3.17) "**The many 'R's of the ALBERTA SUSTAINABLE HOME/OFFICE**", presented to "Leadership & Beyond" A Waste Reduction Conference Jasper, Alberta Canada, Oct. 22-24, 1997
- 3.18) "**Sustainable Water System** at the Alberta Sustainable Home/Office", Disconnected from the City Life Support System", 25th Annual National Conference of the Solar Energy Society of Canada (SESCI), August 11-14, 1999, Edmonton Alberta

4.00) OTHER PUBLIC PRESENTATIONS (7):

- 4.01) Expert Witness to the **House of Commons** Standing Committee on Energy Mines & Resources, "Global Warming", Dec. 10, 1991 (also proposed "demonstration of a sustainable house"), minutes p. 10:50-10:59
- 4.02) **SESCI-NAC**, "Alberta's Sustainable House", Feb. 4, 1994, Edmonton Alberta
- 4.03) **Municipality of Burnaby**, Burnaby BC (details under search)
- 4.04) **University of Calgary**: lectures & tours, part of course entitled: "Environmental Management Certificate Program - Philosophy & Practice of Sustainable Development", Faculty of Continuing Education, 1994-9
- 4.05) "Sustainable Design & Construction for Today & Tomorrow - Focus on the Alberta Sustainable Home/Office", presented to **SESCI-NAC**, Edmonton, Feb. 26, 1996
- 4.06) presentation to the Glass & Architectural Metals Association, Calgary March 14, 1996
- 4.07) "Update and Status Report on the Alberta Sustainable Home/Office", presented to **SESCI - NAC**, Edmonton, October 21, 1997

5.00) REPORTS/BOOKS/CALENDARS (12):

- 5.01) "**DESIGN OF A GENERIC SUSTAINABLE HOUSE**", Report, A.C.E.- Alternative & Conservation Energies Inc., Nov. 1991, Alberta Municipal Affairs, ISBN: 0-88654-366-5, 89 pages
- 5.02) "**ADVANCED SUSTAINABLE HOUSE**", submission to Energy Mines & Resources Canada, by A.C.E.- Alternative & Conservation Energies, January 10, 1992
- 5.03) "**Case Study: The Alberta Sustainable House**", Visions, (senior high school science text), Gage Education Publishing Company, Aug. 5, 1994, Kathy Austin, Randy Blanchard, p. 374 with photo
- 5.04) "**CASE STUDY #1: The Alberta Sustainable House**", "Renewable Energy Guide", First Edition, edited by Duncan Noble, published by the Solar Energy Society of Canada, October 1995
- 5.05) "**The Alberta Sustainable Home/Office**", "Energy Efficiency & Renewables, Recent North American Experience", D. Oliver, Energy Advisory Associates, England, inside cover, p. 2, 13, 28-31, 70, 1996
- 5.06) "**The Sustainable Home Water System** at the Alberta Sustainable Home/Office", K. Braun, Jorg Ostrowski, report to Canada Mortgage and Housing Corporation, January 1999, 84 pages
- 5.07) "**CASE STUDY: The Alberta Sustainable House**", "The Canadian Renewable Energy Guide, second edition, published by the Solar Energy Society of Canada, April 1999
- 5.08) "**CASE STUDY: The Alberta Sustainable House**", "Renewable Energy Guide", Second Edition, edited by Alexandra McKirdy, published by the Solar Energy Society of Canada, June 1999

- 5.09) "**Trail Blazers**: Jorg and Helen Ostrowski", in "Alberta, Our Province and its People", p. 33-34
- 5.10) "**Landscape Guide for Canadian Homes**", Rousseau Lefebvre Architecture de paysage, for CMHC, full page on our residential landscape, with plan & photo. Publication scheduled for March 2004
- 5.11) "**Our Environment: A Canadian Perspective**", Draper, Dianne (2001), 2nd edition, Nelson Thompson Learning Canada, pp 460-461. 3rd edition to be published fall 2004.
- 5.12) The Alberta Sustainable Home was featured on 2 **calendars** (details under search)

6.00) TOURS (Private) for associations/delegations/groups:

Note: Tours began during construction (1993-4). Early tours will be recorded as records appears.

Year 1994, 1995:

- 6.01) Walter Gobel, Feb. 26, 1994, personal tour with friend
- 6.02) Field Trip, "Vision of Community", Oct. 14, 1995, ARUSHA, Calgary Eco Centre, Healthy Calgary

Year 2000:

- 6.05) ARUSHA, Gerald Lajeunese, June 22, 2000

Year 2002:

- 6.08) Clean Calgary Association, Christina Nikolic, March 16 & 23, 2002
- 6.09) **Science Alberta Foundation**, Eden DuPont, April 24, 2002
- 6.10) Rundle College Elementary, Matt Hiebert, April 30, 2002
- 6.11) Foothills Country Hospice Society, High River Alberta, Jennie Willings (president) & friends, April 11, May 25, 2002
- 6.12) **Tour to 22 Japanese Energy Companies**, May 24, 2002 (see also #6.40 below)
- 6.13) Retreats International/Western Region/FCJ Christian Life Centre, Mary Robertson, June 12, 2002
- 6.14) Shad Valley Calgary 2002 program, University of Calgary, Allisha Sordi, July 22, 2002
- 6.15) Success Summer Program, University of Calgary, Susan Picard, July 22, 2002
- 6.16) **CERTEE** (Certificate in Ecological education, University of Saskatchewan), Paul Troitier, July 25, 2002
- 6.17) **Audubon Expedition Institute** (Belfast, Maine, US), Nicky Duenkel, Sept. 28, 2002
- 6.18) Rundle College Elementary, Pam Weinberger, Oct. 16, 2002
- 6.19) Mount Royal College, Amy Gibson, October 16, 2002
- 6.20) **Alberta Economic Development** (Belgian Delegation), Diane Simsonic, October 21, 2002
- 6.21) Cochrane High School, Earl Binder, October 24, 2002
- 6.22) EcoClub, University of Calgary, Lorraine Gordon, October 26, 2002
- 6.23) **City of Cochrane** (City Council & Cochrane Environmental Management Advisory Committee), Joanne Walroth, Dec. 3, 2002

Year 2003:

- 6.26) Beta Sigma Phi Chapter, Erika Losigman, Feb. 22, 2003
- 6.27) Calgary Science School, Mike Neufeld, March 13, June 13, 2003
- 6.28) Katimavik, Nadine Hallett/Sara Olden, March 29, 2003
- 6.29) **Selkirk College** (Environmental Science Class), Castlegar BC, Robert MacRae, April 2, 2003
- 6.30) Grasslands Naturalists (Medicine Hat), Donna Steele, May 8, 2003
- 6.31) **Xogen Power Inc.**, Calgary, Angella Hughes, VP Research & Development, May 27, 2003
- 6.32) **Wesley First Nation** (Youth Program), Joely BigEagle, July 22, 2003
- 6.33) **Sawridge Band**, Slave Lake, Alberta, Catherine Twinn, August 15, 2003
- 6.34) Rundle College Elementary, Matt Hiebert, Oct. 22, 2003
- 6.35) Joshua Mickleborough, Energy Management Co-ordinator, Technical Services, **Saskatchewan Housing Corporation** and friends, Nov. 7, 2003
- 6.36) Calgary Science School, Toni Harvey, Nov. 12, 2003
- 6.37) Tour of the Renewable Energy Technologies class, University of Calgary, November 29, 2003, Ken Hogg, Faculty of Continuing Education
- 6.38) EcoClub, University of Calgary, Lorraine Gordon, November 29, 2003

Year 2004:

- 6.39) Mountain View Academy, Dan Davidson, Feb. 5, 2004

6.50) **Other groups** that have toured our facility included but are not limited to the following: Sergei Glebov, Fraunhofer Institute für BauPhysik (Stuttgart Germany); Sekisui House Ltd. (Osaka, Japan); Land Stewardship Centre of Canada; Alberta Labour (Building inspectors); CMHC (several tours); City of Calgary (many tours); Engineers without Borders; IDEAL Guest Ranch Community (Jaffrey BC); Canadian Coco Tours Inc. (Banff, Alberta); Town of Banff (Alberta); Idemitsu Gas and Life Co. Ltd. (Tokyo Japan); SAIT: Architectural Technology Program & Carpentry (Calgary); UK Housing Experts (UK); Design Green (Portland Oregon); Institute of Building Energy Conservation (Tokyo Japan); Building Research Institute of Japan (Tsukuba, Japan); Japan Testing Centre for Construction Materials (Tokyo, Japan); Nice Healthy Homes Co. Ltd. (Tokyo, Japan); Hokkaido Government Cold Regions Research Center (Hokkaido, Japan); Kona Sapporo Co. Ltd. (Hokkaido, Japan); Toyko University (Tokyo, Japan); Asahi Chemical Industry Co., Ltd. & Asahi Fiberglass Co., Ltd. (Tokyo, Japan); Ibsen Co. Ltd. (Tokyo Japan); Sweden House Co., Ltd. (Tokyo, Japan); Cellulose Fibre Insulation Association (Tokyo, Japan); Fukuoka Bussan Inc. (Tokyo, Japan); Enetech Japan Co. Ltd. (Tokyo, Japan); Toyota Corporation (Tokyo, Japan); Mount Royal College (Calgary); Alberta Vocational college (Calgary); Clean Calgary, Nortel Northern Telecom (Calgary); CASA (Clean Air Strategic Alliance, Edmonton Alberta).

7.00) TV/Radio COVERAGE (14):

- 7.01) **CBC AM Radio**, Calgary Alberta, interview with Jorg Ostrowski on Sustainable House, Dec. 6, 1991
- 7.02) **Cable 10**, "Self Sustaining House", Oma Agawarie, Rogers TV, 1994
- 7.03) **CBC AM Radio**, "Wild Rose Country" program, Calgary Alberta, Sustainable House Interview with Donna Korchinski, June 13, 1995
- 7.04) **CBC Radio**, "The Morning Edition" program, Vancouver BC, Sustainable House Interview with Donna Korchinski, June 19, 1995
- 7.05) **CKUA/ACCESS TV**, Edmonton, February 26, 1996
- 7.06) **CBC Radio**, Edmonton, February 27, 1996
- 7.07) **DISCOVERY CHANNEL**: 5-minute newsclip nationwide
- 7.08) **CBC TV**: "**The Journal**", part of evening news, Oct. 24, 1997
- 7.09) **CKUA/ACCESS**, "Simply Science" (Vicom MultiMedia): 3 part Video for High Schools, Nov. 12, 1997
- 7.10) **CTV's "Canadian Living Series" #44**, Nov. 17, 1997, rerun on 2 occasions in 1998
- 7.11) **CBC National TV**: December 18, 2002 showing solar oven
- 7.12) **CBC Radio AM 1010**: Friday Jan.12, 2003 about 10:20-10:30 AM: "This Morning" with Sheila Rogers (program runs from 9:00 AM to 12:00 Noon, national broadcast)
- 7.13) **CBC Radio AM 1010**: Saturday Jan.13, 2003 about 7:40 AM: "Day Break Alberta" with Terri Campbell/Judy Hamill (program runs from 6:00AM to 9:00AM, provincial broadcast)
- 7.14) **CTV TV**: Monday Jan. 15, 2003: 6:00-9:00 AM, Channel 7 TV: "Global News" with Angela Kokott, interviews at 6:15, 6:45, 7:15, 7:45, and 8:15 AM, (regional broadcast)

This copy is printed on **both sides** of **recycled paper** (40% flax, 40% hemp, 20% cotton,) to conserve resources. original on **reused paper** (good-one-side)
